STAT

Dear

It was great to hear from you and how thoughtful of you to write. My many thanks for your kind words and good wishes.

It is a small world that you are so close to the Hewitts. I was the one who made the decision to name Hewitt Hall for Admiral Hewitt. One of the reasons, in point of fact, was that I was so charmed by his widow when I met her in Newport about a year before her death. Unfortunately, she was too ill at the time we broke ground, but the Taylors were both there. What a small world!

The big thrill of 1976 for me was to be awarded an Honorary Degree. It only took me 35 years! I saw a number of old and familiar faces, and I do regret that I didn't make our 30th reunion which I had much hoped to do.

If anything brings us to Vermont, I certainly will try to drop by. In the meantime, again many thanks.

Yours,

STANSFIELD TURNER
Admiral, U.S. Navy
